## Republican County Convention.

The republicans of Mohave county met in convention in Elk Hall last Wednesday afternoon. The convention was called to order by H. W. Kemper, chairman of the county committee. Nominations for temporary officers resulted in the selection of H. W. Kemper for chairman and J. E. Perry for secretary. The appointment of committees followed. The committee on permanent organization and order of business reported in favor of making the temporary organization permanent, which was adopted. After reading and adopting the report of the committees on credentials and resolutions the convention proceeded with the nomination of candidates:

J. E. Perry was nominated to the office of territorial councilman by acclamation.

William Grant was nominated to the Assembly by acclamation.

J. N. Cohenour and John Hamilton were nominated to the office of sheriff, but Mr. Hamilton declined and J. N. Cohenour was named as the unanimous choice of the delegates.

Albert H. Smith was named for recorder; G. W. Beecher for treasurer; Wm. G. Blakely for district attorney; Dr. W. E. Sauls for probate judge and Charles Sangster for supervisor, without contest. G. A. Bonelli and William O'Dea were placed in nomination for supervisor, and a vote being taken, Mr. Bonelli was named.

W. H. Hardy, R. H. Blakely, O. D. M. Gaddis, William Grant, W. R. Dobson and I. D. Hilty were elected as delegates to the republican territorial convention.

The platform adopted endorses the administration of President Roosevelt and Governor Brodie and refers to the prosperity and contentment among the people under the present administration of state and national affairs; refers to small improvement in the conduct of affairs of the county the past two years and pledges its candidates to an honest, clean and capable administration of the affairs of the county, if elected at the following election.

The delegates were enthusiastic and the ticket named is an excellent one, being composed of some of the best men of the party.

## Democratic Nominating Primaries.

Last Saturday the democrats of this county held their primaries under the Crawford system. The election passed off quietly, there being few drunken men on the streets and apparently little effort to influence voters in any way. The vote was a large one and shows that more than the democrats voted for the different candidates, which would impress the disinterested voter against the primary system in the selection of candidates. In Kingman Kean St. Charles polled his heaviest vote, losing his stronghold—Chloride. What was known as the St. Charles ticket was defeated from top to bottom, with the possible exception of Stephens, for supervisor, but on him there was no fight made by the opposition.

The ticket as made up is a strong one in many respects.

J. H. Hoffman, secretary of the Chloride Gold mining company, came in last night from Pueblo, Colorado. The company which he represents is working a force of men on the Samson mine and is now prepared to install new machinery. Two carloads of this machinery are in the Kingman yards, but owing to the washing out of the Arizona & Utah railroad it may be some time before they are forwarded. The mine is one of the best properties in the Chloride country.

Fred Bailly and Miss Tina Anderson were married in Los Angeles last Tuesday. Mr. Bailly is foreman at the Gold Road mill and Miss Anderson taught the public school at that place. The young couple are well and favorably known in this county and have a host of friends in Gold Road and Kingman. May their married life be a happy one.

Ross H. Blakely and Capt. W. H. Hardy departed Thursday night for Prescott, where they will attend the republican territorial convention as delegates from this county. Capt. Hardy and Mr. Blakely are bitterly opposed to joint statehood and favor a plank to that effect in the republican platform.

## Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in a fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

Rev. W. G. Blakely will conduct the services at the M. E. church next Sabbath, Rev. Decker attending the dedication service of the new M. E. church at Seligman. The subject at the 11 o'clock morning service will be "Glorifying God Through Human Lives", and at the 7:30 evening service, "The Power of a Loving Life." There will be special music at the evening service consisting in part of a duet by Miss Abplanalp and Miss Lena Tost. Miss Ida L. Pierce, a distinguished vocalist and musician, a member of Leon I. Stanton's School of Music of San Diego, California, and soprano soloist of the first M. E. church of that city, will be present, and render that grand anthem by Gounod, "Forever With the Lord." The public are cordially invited to attend.

O. D. M. Gaddis, who has been in Los Angeles for ten days or more, returned to Kingman on Thursday morning's train.

WANTED—A lease or lease and bond on a mine, mine dump or tailings pile where money expended in development work or plant would meet with a fair return. Address "Leaser" Kingman MINER.
